

February 2, 2009

St. Jude Children's Research Hospital
501 St. Jude Place
Memphis, TN 38105

Dear Brothers and Sisters,

We would like to introduce ourselves. The name of our organization is TithingChristians. We are a new internet-based company. We have developed a website whose primary focus is to tithe or donate funds to organizations whom we believe are good stewards of God's blessings. We highlight an organization each month, and send a donation to the featured organization the following month.

We are extremely pleased to inform you that **St. Jude Children's Research Hospital** has been our featured organization for the months of December 2008 and January 2009. Please accept the enclosed check for \$200 on behalf of TithingChristians and all our wonderful customers who have made this donation possible.

The only way we generate income for donation is to have people "shop" online through our website. We don't ask anyone to buy items they wouldn't normally buy. We only ask that our visitors access their normal vendors by clicking on the vendor listed anywhere in our site. We are paid a small commission based on these purchases and then donate a portion of that income to your organization.

Please feel free to visit our site to help you gain an understanding of our mission: www.tithingchristians.com and contact us with any questions you may have.

In His Love,

TithingChristians.com
